HOW TO DECIDE BIG PURCHASE SPENDING

Thinking about making big purchases this year? You should use the DECIDE steps to make a plan.

1. **Define Your Goal** - What do you want to achieve with this purchase?
2. **Establish Your Criteria** - Separate your wants and needs.
3. **Choose Two to Three Good Options** - Remove any options without your must have features.

4. **Identify the Pros and Cons** - Compare the features and prices of each product.

5. **Decide What's Best** - Choose the purchase option that best matches your criteria.

6. **Evaluate the Purchase** - Did you stay in budget? Do you feel good about the purchase?
